11 Be it enacted by the General Assembly of Virginia:

12
13 1. That §§ 55-79.94 be amended and reenacted as follows:

14
15 55-79.94. Conversion condominiums; special provisions.

16
17 A. Any declarant of a conversion condominium shall include in his public offering statement in
18 addition to the requirements of § 55-79.90 the following:

19
20 1. A specific statement of the amount of any initial or special condominium fee due from the
21 purchaser on or before settlement of the purchase contract and the basis of such fee;

22
23 2. Information on the actual expenditures made on all repairs, maintenance, operation or upkeep
24 of the subject building or buildings within the last three years, set forth tabularly with the
25 proposed budget of the condominium, and cumulatively broken down on a per unit basis in
26 proportion to the relative voting strengths allocated to the units by the bylaws. If such building or
27 buildings have not been occupied for a period of three years, then the information shall be set
28 forth for the maximum period such building or buildings have been occupied;

29
30 3. A description of any provisions made in the budget for reserves for capital expenditures and
31 an explanation of the basis for such reserves, or, if no provision is made for such reserves, a
32 statement to that effect;

33
34 4. A statement of the declarant as to the present condition of all structural components and major
35 utility installations in the condominium, which statement shall include the approximate dates of
36 construction, installation, and major repairs, and the expected useful life of each such item,
37 together with the estimated cost (in current dollars) of replacing each of the same;

38
39 5. If any building included or that may be included in the condominium was substantially
40 completed prior to July 1, 1978, a statement that each such building has been inspected for
41 asbestos in accordance with standards in effect at the time of inspection; or that an asbestos
42 inspection will be conducted; and whether asbestos requiring response actions has been found,
43 and if found, that response actions have been or will be completed in accordance with applicable
44 standards prior to the conveyance of any unit in such building. Any asbestos management
45 program or response action undertaken by the building owner shall comply with the standards
46 promulgated pursuant to § 2.2-1164.

1 B. In the case of a conversion condominium, the declarant shall give at the time specified in
2 subsection C of this section, formal notice to each of the tenants of the building or buildings
3 which the declarant has submitted or intends to submit to the provisions of this chapter. This
4 notice shall advise each tenant of (i) the offering price of the unit he occupies, (ii) the projected
5 common expense assessments against that unit for at least the first year of the condominium's
6 operation, (iii) any relocation services or assistance, public or private, of which the declarant is
7 aware, (iv) any measures taken or to be taken by the declarant to reduce the incidence of tenant
8 dislocation, and (v) the details of the relocation plan, if any is provided by the declarant, to assist
9 tenants in relocating. During the first sixty days after such notice is mailed or hand delivered,
10 each of the said tenants shall have the exclusive right to purchase the unit he occupies, but only
11 if such unit is to be retained in the conversion condominium without substantial alteration in its
12 physical layout. *If the conversion condominium is subject to local ordinance that has been*
13 *adopted pursuant to subsections F and G of this section, any tenant who is disabled, elderly or*
14 *low-income may assign the exclusive right to purchase his unit to a government agency, housing*
15 *authority or certified nonprofit housing corporation, which shall then offer the tenant a lease at*
16 *an affordable rent, following the provisions of subsection F. The acquisition of such units by the*
17 *governmental agency, housing authority or such qualified nonprofit organization shall not (i)*
18 *exceed the greater of one unit or five percent of the total number of units in the condominium*
19 *and (ii) impede the condominium conversion process. In determining which, if any, units shall*
20 *be acquired pursuant to this section, preference shall be given to elderly or disabled tenants.*
21

22 The notice required above shall be hand delivered or sent by first-class mail, return receipt
23 requested, and shall inform the tenants of the conversion to condominium. Such notice may also
24 constitute the notice to terminate the tenancy as provided for in § 55-222, except that, despite the
25 provisions of § 55-222, a tenancy from month to month may only be terminated upon 120 days'
26 notice when such termination is in regard to the creation of a conversion condominium. If,
27 however, a tenant so notified remains in possession of the unit he occupies after the expiration of
28 the 120-day period with the permission of the declarant, in order to then terminate the tenancy,
29 such declarant shall give the tenant a further notice as provided in § 55-222. Until the expiration
30 of the 120-day period, the declarant shall have no right of access to the unit except as provided
31 by subsection A of § 55-248.18 and except that, upon 45 days' written notice to the tenant, the
32 declarant may enter the unit in order to make additional repairs, decorations, alterations or
33 improvements, provided (i) the making of the same does not constitute an actual or constructive
34 eviction of the tenant; and (ii) such entry is made either with the consent of the tenant or only at
35 times when the tenant is absent from the unit. The declarant shall also provide general notice to
36 the tenants of the condominium or proposed condominium at the time of application to the
37 agency in addition to the formal notice required by this subsection.
38

39 C. The declarant of a conversion condominium shall, in addition to the requirements of § 55-
40 79.89, include with the application for registration a copy of the formal notice set forth in
41 subsection B and a certified statement that such notice, fully complying with the provisions of
42 subsection B, shall be, at the time of the registration of such condominium, mailed or delivered
43 to each of the tenants in the building or buildings for which registration is sought. The price and
44 projected common expense assessments for each unit need not be filed with the agency until
45 such notice is mailed to the tenants.
46

1 D. Notwithstanding the provisions of § 55-79.40 of this chapter, in the case of any conversion
2 condominium created under the provisions of the Horizontal Property Act (§ 55-79.1 et seq.) for
3 which a final report has not been issued by the agency pursuant to § 55-79.21 prior to June 1,
4 1975, the provisions of subsections A and B of this section shall apply and the declarant shall be
5 required to furnish evidence of full compliance with subsections A and B prior to the issuance by
6 the agency of a final report for such conversion condominium.

7
8 E. Any county, city or town may require by ordinance that the declarant of a conversion
9 condominium file with that governing body all information which is required by the agency
10 pursuant to § 55-79.89 and a copy of the formal notice required by subsection B. Such
11 information shall be filed with that governing body when the application for registration is filed
12 with the agency, and such copy of the formal notice shall be filed with that governing body.
13 There shall be no fees for such filings.

14
15 F. The governing body of any county, city or town may enact an ordinance requiring that elderly
16 or disabled tenants occupying as their residence, at the time of issuance of the general notice
17 required by subsection B, apartments or units in a conversion condominium be offered leases or
18 extensions of leases on the apartments or units they then occupied, or on other apartments or
19 units of at least equal size and overall quality. The terms and conditions thereof shall be as
20 agreed upon by the lessor and the lessee, provided that the rent for such apartment or unit shall
21 not be in excess of reasonable rent for comparable apartments or units in the same market area as
22 such conversion condominium and such lease shall include or incorporate by reference the
23 bylaws and/or rules and regulations, if any, of the association. No such ordinance may require
24 that such leases or extensions be offered on more than twenty percent of the apartments or units
25 in such conversion condominium, nor may any such ordinance require that such leases or
26 extensions extend beyond three years from the date of such notice. Such leases or extensions
27 shall not be required, however, in the case of any apartments or units which will, in the course of
28 the conversion, be substantially altered in the physical layout, restricted exclusively to
29 nonresidential use, or be converted in such a manner as to require relocation of the tenant in
30 premises outside of the project being converted.
